

**MARITECH MARINE TECHNOLOGIES TRADING AB HAS BEEN SOLD TO LTC AB**

After many years building and running Maritech AB and marketing Marisol Chemicals, Jan Andersson has decided that it is time to pursue other interests and has sold the company to LTC AB with Peter van Dellen taking over as President of Maritech AB and a co-owner of LTC AB.

Peter van Dellen has been working together with Jan Andersson for the last 9 years with active involvement in all areas of the company. Peter van Dellen's long term knowledge of the Maritech business and Marisol products along with Jan Andersson's continued involvement as a Senior Technical Advisor will insure that Maritech AB's customers can expect the same service and high quality of products going forward.

Maritech AB  
16 July 2010

I would like to say thank you to all friends in the marine business for the time that has been and also wish Peter all the best for the future.

Jan Andersson

I would like to thank Jan for the opportunities and knowledge that I have received from him throughout the years we have been working together. I look forward to continuing the good reputation of Maritech AB & Marisol products and maintaining strong relationships with all our Marisol customers.
